

## Teehaus ronnefeldt

Serving the world's finest selected teas since 1823

Teehaus Ronnefeldt was founded in 1823 by Johann Tobias Ronnefeldt in Frankfurt, Germany. Ronnefeldt is one of the oldest tea companies in the world and was trading tea before the tea growing regions in India and Sri Lanka even existed.

Johann Tobias developed his passion and knowledge for tea during his travels to Rotterdam and London. His first customers were the hotels around Frankfurt where the Russian dignitaries frequented. Swiftly, Johann became a principle supplier to the Russian Tzar.

Today, Ronnefeldt's teas are available in luxury hotels and restaurants in over 70 countries around the globe. Ronnefeldt's tea experts specialize in importing and blending from major tea-growing regions including India, Sri Lanka, China, Taiwan and Japan.

For more than 190 years, Ronnefeldt has been proud to share their passion for tea and hospitality with tea Lovers around the world.

Ronnefeldt is honored to have their first and only, tea lounge here in Bangkok.
